

REMARKS

As originally amended pursuant to PCT Article 34, many claims did not comply with the multiple dependent claim style specified by U.S. Law. The amendments submitted above have been made to delete all multiple dependent claims and to add claims covering the subject matter encompassed by the previously multiple dependent claims.

It is respectfully submitted that no new subject matter has been added. It is respectfully requested that the above amendments be entered before an action on the merits is issued.

Respectfully submitted,
